

FIREWORKS ENDED THE DAY Saturday as Belle Glade Firemen worked with Recreation Director Johnny Rutledge and Phyllis Slonaker.

LEADING THE PARADE down Main Street Saturday was a car and a color guard from the Belle Glade Police Department. At least one out-of-town visitor said this was the

best looking color guard he's ever seen heading a parade. This was the first event of the day in the city's fiftieth anniversary celebration.

THEO THE VAN wished many happy returns to the city, along with supporting his friends, Jayne Meadows, Christopher

Campbell and Mary and Julie Kornya. . . not to mention acting as a backrest to Sarah Bennett.

Gartner plea, no contest

WEST PALM BEACH — Former Belle Glade Community Development Director George Gartner III pleaded no contest Tuesday to a grand larceny charge in Circuit Court and resigned from his \$22,000 a year position as Palm Beach County Housing and

Community Development Director. Gartner, 34, was arrested Dec. 5, following an investigation into allegations he had formed a dummy corporation, had sold the city a non-existent study on solar energy, later bringing forth a

"study" copied from a paperback book.

An audit performed by the city in January indicated discrepancies in the city's CD (Community Development) books amounting to \$16,636 over less than six months of 1977.

He will be sentenced later and a second larceny charge may be dropped in exchange for his plea. During his three-year tenure with the city, Gartner built the CD program from an opening workforce of three employees to nine employees and got the program off the ground for the city, also doing the paperwork to get several other federal grants for the city, including the grant which paid for the new city hall.

The audit performed for the city by Nowlen, Lynch and Stewart of West Palm Beach, indicated discrepancies ranging from an unaccounted for camera lens worth \$219 to a check for \$2,500, one of seven, paid to GPM systems, a bogus corporation he allegedly set up in West Palm Beach for the solar energy study.

The investigation into Gartner's activities began when his replacement, current CD Director Remar Harvin, noticed irregularities in the books and most of the discrepancies verified during the audit were found during the city's own investigation.

The investigation was later turned over to the State Attorney's office. All the irregularities later uncovered apparently took place between Jan. 14, 1977 and June 9, 1977, when Gartner resigned to accept his position with the county.

There were other possible discrepancies but the accounting firm told City Manager Robert R. Sanders they were relatively minor and would be expensive to verify. The city commission instructed Sanders to halt the audit after the initial report on grounds. Any more discrepancies wouldn't be worth the expense of uncovering them.

Celebration could be an annual event

BELLE GLADE — The city's Golden Anniversary celebration last weekend, described by a number of area residents as the high point of the year, could become a regular event when officials meet April 20 to decide whether it should be considered the foundation for an annual

festival.

Mrs. Dolly Hand, who chaired the Belle Glade Bicentennial Committee which coordinated the events for the celebration festival, called the April 20 meeting to go over what had been accomplished and try to determine whether an annual festival should begin, based on the celebration.

"I feel the whole thing was a tremendous success," Mrs. Hand said Monday, echoing the sentiments voiced by many city residents over the past few days. City commissioners, obviously pleased with the one day, two night happening, were lavish with praise during their regular meeting Monday evening.

The good feelings were first noticed Friday evening when it became quickly obvious the first of the two gong shows and skits depicting the meeting of incorporation was going to be a sellout.

"I started to suggest while ago," Mrs. Hand said at 6:45 p.m. (the first show was scheduled for 7 p.m.). "That we might think about taking some of the chairs out. I'd hate to think the performers would have to look out at a bunch of empty chairs . . . but this, I can't believe it."

By that time, all but a few chairs were filled and others were being brought out to form two more rows at the rear of the Municipal Civic Center.

Those weren't enough and before the gong show got underway, it was standing room only with people laughing and joking as they filled up both side aisles and the back and children were escorted to the space

between the front row of chairs and the stage, where they were jammed cross-legged on the floor. By the time Billy Eggleston walked out for his first appearance as the master of ceremonies, he had little maneuvering room in front of the stage and the three judges, Bill Bailey, Jeanette Cameron and Tom Altman, had to pick their way through the children to their table.

Despite the crowding, a number of people were turned away from that first show, only to return in time to join a line from inside the foyer to the parking lot and almost reaching the street for the 9 p.m. performance. It was

The crew of the ill-fated Rotarian set out Saturday afternoon in high good humor.

But the ending left us, crew and skipper, soggy and distinctly dampened in enthusiasm.

And wanting a rematch.

Long and hard the Belle Glade Rotarians worked on their entry in the raft race for Saturday's celebration. Hours upon hours of man-time piled up as the speedy craft neared its completion.

The "secret weapon" was well designed and the galley slaves in top condition.

Then came the day for the race. And one of the slaves, Buddy Whitehurst, fell ill. "Oh, my back hurts," he claimed. "Been in bed for 32 hours and if I have to stroke to the tune of the oarsman, I'll up and die."

Fingers were pointed in my direction. "There's a likely suspect," determined Ernie McCroan. Thus was I charged.

Dennis Wedgworth wound up at the skipper's helm. Next to him, ash paddle in hand, was Bob White. Ernie and I, by virtue of our heavier weight, manned the after end along with Ernie's son Ricky, who would work the secret weapon.

Dennis was the "runner" and a good one he made. It was his duty, along with the captain's chores, to lay hand on the Pavilion and dash to the Rotarian when the starting gun fired, then take command.

We waited patiently, eyeing the other entries with some reservation, especially the PVC raft complete with jibbals. When the gun sounded, Dennis made his dash, launched himself from the shore, and landed squarely midships of the Rotarian. His 150 pounds of hurtling flesh threatened briefly to disrupt the whole journey by dumping the worthy crew in the briny, but with superior balance, not to mention team effort, the crew managed to keep the craft upright.

And we hauled on the paddles with a will.

The route was clearly marked with buoys placed 100 yards apart and we went toward the first one.

With distress, we noted Bob Sanders and Craig Butters on their air mattress entry pulling along due to their having had the forethought to don rubber flippers.

That's all right, guys, cried Bob White. "All we care about is beating the Lions."

No problems there. The Lions Kiwanians and other entries were being left in our wake.

A full 40 yards ahead of the third place raft, we rounded the second buoy and headed for the third. All agreed our raft was about the hardest thing to paddle and control that we had ever set to sea in.

Ricky worked the "secret weapon" lustily, but with no apparent significance. It was the muscles of the crew that kept us moving.

"My mouth tastes like cotton," complained Bob. He and Dennis decided to even out the suffering by switching sides. They did, a move accomplished with a minimum of fuss.

Ernie and I just looked at each other. What matter the pain. The Lions were being beaten!

The buoy and the home stretch loomed ahead. We rounded it and dug in for the last mile or so to our second place plaque. By this time, Sanders and Butters had already crossed the finish line.

And it was with terror in our hearts we discovered we had hung up on the buoy's line. Dennis abandoned ship to scout the difficulty and discovered none. The other entries were drawing near. We tried to paddle once more. Still hung up.

Frantically, I grabbed the buoy and hauled line and all to the surface and cast it away in disgust. The Lions and Kiwanians had passed us.

It was a sad crew that finally made it to port. And it was an even sadder crew that made the disheartening discovery for the awkwardness of the good ship Rotarian.

The first buoy, along with six feet of line and a ten-pound crew block, had fouled under our ship and we had drug the whole thing the length of the course.

Small wonder the craft was hard to handle and balky in the turns.

We lost... but at least we had the satisfaction of knowing we beat the Lions at least three-quarters of the distance, even with a substantial handicap.

DAVIDSON DAILY NOBLE
MAY 1978

Good show!

How about that for a semi-centennial, Belle Glade? That was a Golden Anniversary to remember and the one thing everyone was remarking on was the participation in the various events Friday night and all day Saturday.

Crowds? We had 'em. With standing room only at both of the Gong Show-skits, there was even some serious talk about

the need for a third show.

The people turned out all along the line of march for Saturday morning's parade and the marina was jammed for the raft races and barbeque that afternoon and the fireworks and dance that night.

There was some real fear beforehand that everything was going to be ready to put on and no one would show up... which goes to show the futility of negative thinking.

It was a real blowout of the city could be proud of and the Bicentennial Committee, which hung in there two years later to organize the celebration.

The committee, headed by Mrs. Dolly Hand, worked well together and covered just about every conceivable base in getting community input, cooperation and support.

The meetings were open from the beginning to public input and news stories covering those early meetings, beginning back in October, specifically called for help from every sector of the community, not to mention letters asking for ideas, input and support which were mailed to 67 clubs and organizations in the Belle Glade area.

A lot of people put in a lot of work on the celebration and nothing could have made them feel better than seeing the crowds watching the crowds actively participating. That was their reward.

But over and above that reward, we feel their names should be made public one more time in recognition of their accomplishments.

Besides Mrs. Hand, who ramrodded the whole operation, there was Mary Orsenigo, the secretary who was responsible for masses of correspondence and the skit, "Who'd I thought it?" Mayor, Tom Altman, who kicked off the whole affair when he asked Mrs. Hand to ask the committee to coordinate the celebration; his wife, Deborah Altman, who chaired the teen dance; Dr. Robert Allen, who chaired the fishing tournament; Bee Wood who chaired the Gong Show; Lynette Thompson, who chaired the parade, Frank Mayfield, who took care of the raft races; Johnny Rutledge, who took care of the fireworks and Gina Farley, in charge of the adult's dance.

Other committee members included Dr. Effie Grear, Dr. Don Fliehs, Edwina Young, Ruth Wedgworth, Roy Burch, Jewel Crane, Simon Train, Iz Nachman, Larry Tucker, Cheryl Weaver and Dean Jones.

Now, when we start thinking about making this an annual celebration, Mrs. Hand...

It's History Now

30 YEARS AGO

April 9, 1948

The Belle Glade Band took part in the district contest held in West Palm Beach last week. They made a good showing with the spirit, color, and originality so typical of Belle Glade High School.

The judges for the concert were Mr. G.J. Gustat, Mr. J.B. O'Neal, and Mr. O.J. Kraushaar. Each of the judges complimented the band very highly on such points as sincerity, discipline, ability to follow, and interpretation.

For the second time this season, the Golden Rams, faced the strong Wildcats in West Palm Beach, Tuesday afternoon, and were

given a shut out defeat by the score of 13 to 0. The Rams could not solve Brandenburg's pitching, getting only three hits, while the Cats took handily to the offerings of McDonald and Harrell, getting nine hits.

Dear Sir:

We were pleased with the article in Wednesday's (March 29) paper. After reading the article, we were dismayed to find we had omitted our Belle Glade telephone number.

We would like to have a follow-up article with our new number, which is 996-5511. Our Belle Glade office hours are Monday through Friday, 8:30 till 5:00.

Thank you for advertising our program to the residents of Belle Glade.

Thanks again!

CRACKER CRUMBS

BY DEAN JONES

I had already written this column once last week in order to meet deadlines and it didn't have a darned thing to do with what happened over the weekend but in the interests of truth in reporting, after hearing what Biff is saying across the page, I thought I'd better scrap what I'd done and report the true account of the weekend.

First of all, the weekend got off to a heckuva good start Friday night with the Gong Show and skit over at the Municipal Civic Center. There were some of us who had really been sweating out whether we were going to see the two acts go on in front of a half-empty building.

Before the show was due to start at 7 p.m., we had another worry. With ten minutes to go, there wasn't a seat to be had anywhere and some volunteers started dragging more chairs out to make up a couple more rows at the back.

And by starting time, it was nothing but wall to wall people with people standing at the back and along both walls and kids sitting crosslegged between the front row of chairs and the stage.

The show went off great and for those who didn't catch it, lemme just say that when Bee Wood says she's got some drums for an act, she's got some DRUMS! Those kids were great.

The skit came off great too, but the biggest surprise probably came to Frank Teets, who played the role of Walter Greer. Seemed like half the audience asked most of the cast knew about the switch made when "Blondie" offered "Walter" a sip of the good stuff. It was supposed to have been water and it wasn't.

Looked like Lynette Thompson outdid herself with the parade Saturday morning.

Might mention too, that the Lions' version of the Keystone Kops probably would've been hard put to find someone more worthy of jailing than Ralph Mock. Just dragged him right off the reviewing stand and threw him in with "Bonny and Clyde," who'd just previously been swooning on Main Street.

But the real story came that afternoon with the raft races, in which our Big Fearless Leader here at The Herald played a major, if ignominious, role.

BFL, as he'll be henceforth known, was one of the crew members on the ill-fated Rotarian entry.

I noticed Monday morning, he hadn't been too impressed with a number of the other entries, telling another member of the paper's staff he "wouldn't trust 'em in a bathtub."

The truth was, as I see it, he was just flat envious of one of those "non-rafts" that walked off without anyone else behind.

This isn't to say everyone else was left in their wake because Bob Sanders and Craig Butters were so far ahead of the rest, there wasn't a second place. There was no wake left either for anyone else to be left in.

Looked like me finished about a quarter mile ahead of everyone else... and in a three eighths mile race, that ain't too bad.

The real story came in who was gonna finish first of the rest of the pack, not second for the race but first of the rest after Bob and Craig pushed and hand-padded their two-man-disaster-looking-for-a-place-to-happen over the finish line.

The Rotarians, including BFL, looked real promising for that honor, paddling along well in front of everyone else.

There they were, breezing along to beat the band and all of a sudden they were going any-where. Matter of fact, someone put the raft in reverse and that's when they received the first hint something was wrong.

So while BFL, Ernie McCroan, Dennis Wedgworth, Bob White and company were scratching their heads, diving under the raft and discussing and cussing the situation in general, the Kiwanians rounded the bend, with the Lions in hot pursuit along with several other craft and left the Rotarians rotating around the final buoy until they finally picked the danged thing up and put it on the raft with them, which didn't look exactly kosher to the crowd, either.

Which gives me the idea that if I ever get into one of those raft races, I think I'm gonna put a cow-catcher on mine.

CAUSING A MOMENT before leaving on an overnight trip to the Harriana Crippled Children's Hospital in Unatula, Fla. Thursday were these Pahokee High School H.O.E. (Cooperative Health, Occupation and Education) students. They are, left to

Panfish are biting in Rim Canal

By Nan Corbin

Most fishermen in the Belle Glade area over the weekend found the bluegills to be most cooperative. Beds have been reported in the long point area, on the west sides of Grassy and Ritta Islands and along the canal bank where the trees have been cut and allowed to fall in the water. Live crickets and worms seem to be the best bait with many also coming in on Beetle Spins.

At Proper of Belle Glade and Janet and David Champion of Vienna, Va. used crickets on Tues-

day to take more than 50 bluegills. Van Short of Ft. Lauderdale used crickets on Saturday to take his limit of 50 bluegills.

Belle Glade fisherman Jimmy Duvy used worms on Sunday to take 1 bluegill.

Bill and Evelyn Watson and their granddaughter of Ft. Lauderdale used crickets to take 45 bluegills on Saturday and about that many more on Sunday morning.

Local teenager Benton Tyson used worms on Saturday to take 43 bluegills and shellcrackers.

Joe McCormick of South Bay reports that bass fishing is also still going as he took a nice string, including a 6 pounder on Friday.

George Sholly of Pompano Beach used shiners on Saturday to take eight bass to 7 1/2 pounds and again on Sunday for seven more with one at 8 1/2 pounds.

Kenny McIntosh and Bruce Konrad of Pahokee reported

their limits of 10 bass each on Sunday afternoon.

Baseball Gators win another for 11-0 record

The Glades Day baseball Gators continued their winning record, advancing to 11-0 Tuesday, when they defeated Indian River Academy 7-5.

This week they faced a whole state of foes, beginning Tuesday with Jupiter Christian away, a team they beat 9-2 in the first meeting; Moore Haven on Friday at home and Kings Academy away on Saturday.

Kenny Buckner was the winning pitcher in the Indian River game, relieving Tommy Duda after Duda had pitched the first four innings. Duda gave up five runs on three hits, walked four and

struck out four. Buckner pitched the last three and gave up two hits, walked two and struck out two. He also had three runs batted in.

Other batters who were outstanding in the game were Quique Echave with two hits and one RBI; Pedro Rodriguez, who had two hits and two RBIs; and Steve Richie with one RBI.

In the game scheduled Tuesday against Jupiter, Coach Tom King said Mark Foster would lead out pitching. Friday he intends to start Sam Duda and Saturday, Tom Duda.

Republican directors named

BELLE GLADE—Members of the Glades Republican Club were announced this week by President Bee Wood, who said plans are also retreating under way for the club's

annual Lawman's Appreciation Day barbecue at the Municipal Marina, which will honor Belle Glade Public Safety Director Charles Goodlett this year.

The new board of directors is made up of John Turnbull, Dr. Tom Baker, J. Ray Hatton, Claude Tindall, Charles Goodlett, Michael Miller, Blas Rodriguez, Frank Teets, C.W. "Bud" Weaver, Fred John, Larry Tucker and Sam Lovell.

Officers for the coming year are, Mrs. Wood as president, Vice President David Goodlett, Secretary Jan Suttle and Treasurer Beth Trammell.

DRUG WARNINGS NOW REQUIRED

A Food and Drug Administration rule requiring that women taking estrogen be given written brochures describing the risks and benefits of the female hormone has already taken effect. Some 3 million U.S. women take estrogen during and after menopause.

FDA says the warnings are needed because of widespread estrogen use and studies linking the use of estrogen-containing drugs to cancer of the uterus and to birth defects. Drug manufacturers are required to print the brochures and supply them to pharmacists and other dispensers of estrogen drugs.

Mu Upsilon holds party for children

BELLE GLADE—Mu Upsilon held an Easter party for the children at the Association for Retarded Citizens on Mar. 17.

The children enjoyed "Peter Cottontail" played by Tricia Graves. Some of the mothers of the children also participated. An egg hunt was featured, winding up with cupcakes and juice. Each child was given gifts to take home with them, including hand-made ducks, chocolate rabbits, windmills and many other things.

Those from Mu Upsilon helping Service Chairman Janet Marr were: Karen Pierson, Linda Parrish, and Carol Zumpf.

The Walkathon is over for another year. Mu Upsilon was in

charge of the registration point, which is an all day activity, as well as work for the following week. (Not to mention all of the sandwiches being made.) Donald Bailey, from Baileys Grocery in South Bay, donated enough meat and cheese for 100 sandwiches.

The registration was spearheaded by Carol Zumpf and Service Chairman Janet Marr.

Other members participating were: Dorinda Shatts, Aritha Keene, Karen Pierson and Linda Parrish. Former member Nancy Thompson also helped.

We also had many friends' help, which made the whole project successful. Many thanks to those who also participated beyond the call of duty.

Luncheon honors Miss Cindy Hawk

A bridesmaid luncheon honoring Miss Cindy Hawk, bride-elect of Mr. Wayne Reese, was held on the patio at the Clewiston Country Club, Thursday, March 30.

The center table was covered with an heirloom white linen table cloth, adorned with two arrangements of hybrid gerber daisies. Parrot tulips were placed throughout the room.

The menu included chicken salad, fresh asparagus, cherry tomatoes, sliced cantaloupe on a bed of leaf lettuce, rolls and butter, and

chess pie.

Hostesses for the luncheon were Mrs. Ed Upthegrove and Mrs. Jim Wilkinson, cousins of the bride-elect.

Miss Gummere weds Mr. Todd

BELLE GLADE—Mr. and Mrs. Jerry V. Gummere of 204 S.E. Fifth St., N. in Belle Glade, announce the wedding of their daughter Cynthia Juanita, to Donald Lester Todd, son of Mr. Owen G. Todd and the late Patricia C. Todd, also of Belle Glade.

The double ring ceremony was held Mar. 25, at the Belle Glade Alliance Church with the Rev. Mark T. O'Farrell officiating.

The bride, given in marriage by her father, wore an A-line white gown of marquisette over taffeta. The fitted bodice neckline and collar were trimmed with embroidered lace. The sheer sleeves were edged in lace at the wrists. The veil extended into a floor length train, embroidered trim decorated the edges. Miss Gummere carried a bouquet of white silk roses and babies breath, featuring a bible covered with lace and satin streamers.

The church was decorated with two big urns on pedestals holding bouquets of white easter lilies, gladiolas, carnations, and pom-poms. A unity candleabrum formed the center scene at the altar.

Mrs. Carol Schmidt sang "Whither Thou Goest," "A Time For Us," "Lord's Prayer," and "We've Only Just Begun," accompanied by Mrs. Karen Corbin, the organist.

Mrs. Becky White, sister of the bride, served as matron of honor, she wore a deep apricot colored qiana gown. Mrs. White carried a single silk apricot rose, she wore an apricot silk babies breath hairpiece.

Bridesmaids were Julie Gummere, Paula Walker, Michelle Wetherington and Nicki Gamot. They wore soft apricot colored qiana gowns, silk babies breath hairpieces and they carried single silk apricot roses with matching trim.

Owen G. Todd, father of the groom, served as best man. Bobby Gumpston, Mitchell Sims, Vic Gummere and Gib Tucker were the groomsmen.

The bride's mother wore a gown of white, rust and apricot china print. Her corsage was a white silk carnation. The groom's step-mother wore a white, gold and blue silk gown with gold accessories. Her corsage was a white silk carnation.

Christa Cowart, of West Palm Beach was the flower girl, and Brad Barker was the ring bearer.

A reception at the Civic Center followed the ceremony. The cake table was decorated with two arrangements of white Easter lilies, gladiolas, carnations, and pom-poms. It featured a five-tier cake, made for the bride by her cousin, Miss Dianne Miller, decorated with apricot roses, standing cherubs and a center fountain surrounded by green vines.

Assisting at the reception were Mrs. Nancy Moses, Mrs. Pat Day, Mrs. Juanita Miller, Mrs. Linda Towell, Mrs. Ann Gumpston and Miss Kim Shireman. Special servers were Frank Miller and Ed Motes. Mrs. Linda Grooms was in charge of the bride's book.

After a honeymoon at Lehigh Acres and Tampa, Mr. and Mrs. Donald Lester Todd will reside in Belle Glade.

The bride is a 1976 graduate of Glades Day School, the groom is a 1975 graduate of Glades Central High School, he is now employed with Dwight Weyant and Associates of West Palm Beach.

Out-of-town guests included Mr. and Mrs. Victor Gummere of Terre Haute, Ind., Mrs. V.R. Beardsly and Miss Beverly Beardsly of Clewiston, Mr. and Mrs. Roy Kimberly and Mr. Jeff Kimberly of Wetherington and Nicki Gamot of Lantana, Basil Todd of Margate, Mr. and Mrs. Albert Gamot of Lake Wales, Mrs. Judy Cowart of West Palm Beach, Mrs. Willadee Murphy of Mangonia Park, Mrs. Mailette Lettelier and Kristina Lettelier of Davis, Mark Hathaway of West Palm Beach and Mr. and Mrs. Orville Twiss of West Palm Beach.

Ballet class schedules concert

Barbara Comrie's Ballet School will present "Dance in 3/4 Time and More" in Pahokee at the high school auditorium on Friday, April 28 at 8 p.m.

Last year marked the first performance of the Pahokee area students of the Comrie School. The response from the public was gratifying and the proceeds from

the presentation enabled the school to purchase a color television for the Pahokee Hospital Pediatrics Ward.

This year donations from the Pahokee event will go to the Price Theatre Renovation Fund. An evening of ballet, tap, baton twirling, beautiful costumes, and toe-tapping music is programmed for that night! The young students have practiced long and hard for

their recital, according to Mrs. Comrie, and public support will be greatly appreciated. Tickets may be purchased at the door or from any ballet student. Donations are \$1 per child and \$2 per adult.

Guest stars for the evening will be advanced students from Barbara Comrie's School of Ballet in La Belle.

Glades walkers turn in \$7,200, enjoy collection party Friday

BELLE GLADE—Glades area walkers turned in \$7,200.70 in pledges Friday during the annual March of Dimes Walkathon collection party held at Rardin Park.

Palm Beach County March of Dimes Executive Director Bo Stine said that was a good figure considering the total amount pledged between Belle Glade and Pahokee walkers amounted to \$17,174.71, with Belle Glade walkers turning in pledges worth \$10,364 and Pahokee walkers being pledged for \$6,809.

Stine said at the party Belle Glade walkers averaged \$27 per walker in pledges and the Pahokee walkers averaged \$32 per walker.

The big money earner for the third straight year was Judy Huggins, daughter of the Belle Glade coordinators, Mr. and Mrs. James Huggins. Miss Huggins sent in \$849.70 of collected pledges

although she was sick the day of the party.

The two runners-up from Belle Glade were Lamar Hilyer, who turned in \$440 after walking ten miles four months after undergoing open heart surgery, and Laura Zumpf, who completed the walk to turn in \$375.

The two big winners from Pahokee were Bob Wetty, who generated \$736 in pledges, and Connie Sullivan, who walked her second walkathon to turn \$725.

The youngest walker who completed the walk was Bryan Boynton, son of Mr. and Mrs. Wynne Boynton. Bryan, 4, accompanied his father and his seven-year-old brother, Ben on the 20 mile hike. Stine said he is "almost certain"

Bryan is not only the youngest walker this year in the Glades but in the entire county.

Of the amount actually turned in Saturday, Stine said \$4,111.91 came from Belle Glade walkers and another \$2,488.89 came from Pahokee walkers.

Walkers who hadn't managed to turn in all their pledges were given envelopes to mail in the remaining amount.

THE YOUNGEST WALKER to complete the 20 miles hike for the Walkathon was four-year-old Bryan Boynton.

Invitation is given to festival

The Belle Glade Chamber of Commerce was invited to join a parade Saturday in Clewiston which will be part of two days of activities called Sugar Days.

Chamber Executive Secretary Jewel Crane said the parade will begin at 10:30 a.m. on Sugarland Highway. The events begin at 4:30 a.m. with a breakfast at the Angler's Marina on Saturday and end Sunday with an all day softball tournament, a air show at the Clewiston Air Port and a 4-wheel drive rally.

In the meantime, field day events and other activities will take place all day Saturday and all day Sunday.

EXPRESSION OF THANKS

We wish to express our deepest gratitude to all our relatives, friends, and neighbors for their visits, flowers, food, cards of sympathy, and memorial donations sent during the illness and death of our beloved husband and father, John H. Payne.

A special thanks to the Rev. Larry Baker, Church of the Nazarene, Dr. G.B. Walker, Pahokee Ambulance Service, C.R. Wetherington Funeral Home, and also a special thanks to our Angel of Mercy, Mrs. Wynell Holt.

It is such a comfort to know so many people share our loss. We love and appreciate all of you so much.

Christian Comments

The heavens declare the glory of God; and the firmament sheweth his handywork. — Psalm 19:1.
The fool hath said in his heart, There is no God. — Psalm 14:1.

Only a fool would say, "There is no God." When David lifted up his eyes and looked upon all the glories and beauties of the universe, there is no wonder that he burst forth into a psalm of praise to God, the Author and Creator of it all.

We preach from the assumption that there is a God, the he has existed from the timeless past and will exist for all eternity. "In the beginning God created the heaven and the earth."

He will exist when the heaven and the earth are no more. A human author doesn't try to prove his own existence — he simply stamps his name on his book and sends it out into the world.

And so it is that God has stamped his name upon the first page of the Bible, and all the way through it we must recognize His existence.

Dave, through all the ages men have wanted to know how God looks and how He feels toward men and what His attributes are. The Bible reveals God, but this is not the revelation, Nature reveals God, but this is not a complete revelation.

Jesus Christ Himself is the one and only complete revelation of

the Heavenly Father. He said, "He that hath seen me hath seen the Father." Jesus showed in His life the kind of being that God is. Let us look deeply into this great doctrine of God.

He is a Spirit.

John 4:24 says, "God is a Spirit; and they that worship Him must worship Him in spirit and in truth." This verse means that, although God is very real, he is not material and not visible to us. He met Moses upon the mountaintop, and Moses cried out, "Shew me thy glory." God replied to him, "I will make all my goodness to pass before thee," but "thou canst not see my face."

If God is real, he must have a form. Did He not say, "Let us make man in our own image"? and yet it is not a physical form but a spiritual form. We shall never look upon that form in the world, but we shall see Him in all His glory in heaven when we, too, have been

given a spiritual existence like unto him.

When Stephen was being stoned, he declared, "I see Jesus standing at the right hand of God." He must have seen God in His spiritual form. God moves in this Spirit through the world and we do not see Him, but in heaven we shall see Him face to face.

Mu Upsilon meets

BELLE GLADE—Mu Upsilon members met for their first meeting of March at the home of Marsha Oren.

The meeting was led by President Dorinda Shuts. Following the usual business portion, Janet Marr, Service Chairman, announced plans for an Easter Party for the children at the Association for Retarded Citizens school. Social Chairman, Sharon Courson, announced final plans for the "Girl of the Year" dinner in Clewiston. The program involved making little yellow ducks for the children at ARC.

Refreshments were served to Davene Bailey, Sharon Courson, Janet Marr, Dorinda Shuts, and Carol Zumpf by hostess Marsha Oren.

The second March business meeting of Mu Upsilon was held in the home of Marsha Oren. President Dorinda Shuts,

headed the meeting. Final arrangements for the March of Dimes Walkathon were discussed. Marsha Oren read the devotional "You Get What You Give".

The meeting was then adjourned and refreshments were served to Janet Marr, Dorinda Shuts, Carol Zumpf, and Davene Bailey by hostess Marsha Oren.

Mu Upsilon held its "Girl of the Year" dinner at Glades Restaurant in Clewiston at 7:30 p.m., Mar. 11. The theme for the evening was "Our Star Attraction." Social Chairman, Sharon Courson, and her committee arranged the evening. A yellow rose was placed at each member's table setting.

President Dorinda Shuts was Mistress of Ceremonies. Each member was honored for her contribution throughout the year. The husbands were also honored with a gift for their help throughout the year.

Dorinda Shuts was presented a plaque as a token of her year as President. The highlight is always the announcement of the "Girl of the Year." This year Mu Upsilon bestowed the honor on Carol Zumpf, for her participation throughout the year. She was also presented with a plaque.

Those enjoying the evening were: Michael and Carol Zumpf, Franklin and Dorinda Shuts, Larry and Sharon Courson, Larry and Linda Parrish, Tommy and Karen Pierson, Mike and Janet Marr, and Paul and Marsha Oren.

A Radiant CLEAN LIFE

The housewife cleans her home until it shines with a radiance that gives contentment and joy to those who view it.

It pleases God to see our lives clean and whole. Some, we all need help, to keep our lives clean.

David prayed to God for help in this matter. "Create in me a clean heart, O God; and renew a right spirit within me."

Lean upon the Lord. Seek his help and he will not deny it. Attend church this Sunday and let your life be centered in the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for men and of His demand for men to respond to that love by loving his neighbor. Without this knowledge is the love of God, no government or society or way of life will long persist and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, we should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Serv.

Belle Glade Chamber Chatter

By Jewel Crane
Executive Secretary
Belle Glade - The celebration of our City's Golden Anniversary this weekend has to be labeled a complete successful event in every category of the planned program. Even the God(s) smiled on us and gave us a perfect day.

This union of working together in making our plans for this event and its successful outcome should help us to realize just how good and almost perfect things can be when we work in harmony with each other, rather than trying to

go on our own the way we human (s) sometime try to work; as a group, club, chapter or city. Working together is the key word for success in all our efforts.

The Chamber's B.B.Q. cook-out was out very best in the eight years of my affiliation with the Chamber of Commerce. This happened because... The Part Committee, the Board of Directors, and the many members of the different Clubs and Organizations were right beside us; working with us to make the cook-out a success. Also the local media, the Radio Station (WSWN) manager and staff, Southeast Cablevision, Inc. were on hundred percent behind us, and with this said, on behalf of the Board of Directors of the Chamber of Commerce I would like to publicly express our sincere appreciation to each and everyone for their publicspirited involvement and we will attempt to send thank you letters to all persons helping us to have a successful cook-out.

The Chamber would also like to say thanks to all the Merchants for participating in our gift certificates that were placed in the balloons that were disbursed from the Chamber's float. This proved to be very exciting for the children and the adults alike. Each gift certificate returned to the merchants must have the Chamber's President sign on it. A Dale Stapp.

If you read the Chamber Chatter in the Belle Glade Herald March 30th issue, the Chamber announced that an award would be given to the "Best existing business-building in the downtown section of the city. The Garden Club members made a tour of the downtown section on Friday, April 7. The winner of this award will be announced in next week's Chamber Chatter. So... read next week's Belle Glade Herald... until next week... God Bless.

Gardening course set

BELLE GLADE-The May Tropical Gardening Course sponsored by the Palm Beach County Cooperative Extension Service, the Palm Beach County Garden Supply Dealers Association and Glades Central Community School, will be held Tuesdays, beginning at 7:30 p.m. May 2 at the GCHS annex library.

Urban horticulturist Gene Joyner said the topics to be covered will include identification and use

of shade and flowering trees, proper pruning of ornamentals, insects and diseases of ornamentals selection and maintenance of dooryard citrus, selection and maintenance of lawn grasses, identification and use of indoor plants and a panel discussion made up of horticultural experts.

"If you are interested in finding out more about some of the plants you already have in your landscape, or if you would like to know how to better select new plants," Joyner said, "then it would pay you to attend the course."

In addition to the lecture material there will be numerous slides shown each evening and drawings for door prizes. All persons completing the course will receive a graduation certificate. The course will last throughout the month.

The registration fee for the Tropical Gardening Course is \$5 per person and registrations are limited to the first 125 applicants due to limited seating. Applications may be obtained at the Glades Agricultural Office

Softball season must be here

Belle Glade-Summer must be coming on.

Softball, always a major sport in the Glades, heralds the beginning of the summer season and when the Kawinas Club challenged the Rotary Club to a softball game Tuesday, it was evident summer was officially started.

Tom Bouavis, president of the Kawinas, issued the challenge and it was immediately accepted by Bob White president of the Rotary.

The game's date and time will be announced later.

FIFTY DOLLARS went right along with the theme of fifty years Saturday when Belle Glade celebrated its Golden Anniversary and the judges liked the float theme enough

to award Florida First National Bank the third place prize in the clubs and organizations division.

School trial part of observance

BELLE GLADE—An actual trial will be held by County Judge Don T. Adams at 9 a.m. May 5 at Glades Central High School as part of the Law Day activities in

Palm Beach County according to Michael H. Stauffer, the Western Palm Beach County Representative for the observance.

Stauffer said that while Judge Adams presides, Clark Smith, assistant State Attorney, will prosecute the case and Frank J. Reidler will defend as the public defender.

The trial is only part of a week-long observance beginning April 24 and running through May 1. May 1 has been set aside every year for Law Day for the past 21

years, a time to recognize the legal profession and the purposes it serves.

The national theme this year is **The Law: Your Access to Justice**. The objective will be to foster greater public understanding about the role of the law, the court, and the legal profession in making access to justice and legal services more readily available to all.

As part of the annual event, awards are given to four non-attorneys in the county who have contributed greatly to the legal process. Last year, for the first time, the award, referred to as the Liberty Bell Award, was also presented to a Glades resident, retiring Capt. Claude Tindall of the Sheriff's Office.

Stauffer said the tradition will continue this year with another award. He said the recipient hasn't been determined yet.

Cuban dance tickets sold

PAHOKEE—The ladies of St. Mary's Altar Society would like to thank everyone who has purchased tickets for the Cuban Dinner and Dance. However, they regret there are no more tickets available.

Las damas del St. Mary's Altar Society quieren darle las gracias a todos aquellos que compraron tickets para la Comida y Baile Cubano. Desgraciadamente no hay mas tickets disponible a la venta.

Tourney winners told

BELLE GLADE—First place trophies went to D.A. Davis and William Henry Smith in separate divisions for winning the Belle Glade 50th Anniversary Oldtime Fishing Tournament sponsored by the Lake Okeechobee Bassmasters.

Davis won his trophy for catching a nine-pound bass and Smith won his for boating a 1 1/4 pound shellcracker. Dr. Robert Allen presented the trophies.

A second place plaque was presented to Roger Jenkins for his 8 1/2 pound bass and a third place plaque was won by Ralph Morey for his seven-pound bass.

An early bird award was won by Jerry Courson. "He didn't have the biggest fish," Allen said, "but he weighed in first and he was the early bird that won the worm, a black plum firetail."

The prizes were presented during a barbecue held Saturday evening at the Aubrey Farmer Pavilion on the Municipal Marina.

Skills course is offered

PAHOKEE—If you would like to learn how to find a job, how to get a job and how to keep a job, you may be interested in the Employability Skills course offered by the Pahokee branch of Adult Education. It will be taught, free to the public, by Jeff Heitman, DCT teacher of Pahokee High School.

The organizational meeting will be held Tuesday at 7 p.m. in room 102 of Pahokee High. The ten-week course is offered to anyone, aged 17 or over.

Such topics as how to fill out an application, how to write a resume, how to sell yourself in a job interview and personality development will be discussed, Heitman said.

Blue Devils come from behind to win

PAHOKEE—The Pahokee High Blue Devils came back from a 4-3 loss to Indian River Academy Saturday, April 1, outscoring the Academy with 13 runs in five innings in the second game of a double header. Coach Sam Jones explained the game was called because of a ten run rule.

During the first game, Indian River scored four runs on five hits; two were scored in the fifth inning and two in the sixth. Two of their runs came on errors by Pahokee, Coach Jones said. He noted Carlton Boone pitched a good game but the Devils suffered a loss due to too many errors. Boone struck out eight batters and walked none.

In Pahokee's comeback game, ninth grader Joe McKelton was the winning pitcher. He gave up only three hits during the game. Darrell Douglas excelled with two for three hits at the plate, a double and four runs batted in (RBI).

Ninth grader Mike Rawls went two for two and had two RBIs. James Jones was two for three and had three RBIs. Pahokee emerged from the game with six stolen bases, 13 runs, nine hits

and a 4-9 record.

Coach Jones was pleased with his team's performance. They are "beginning to play much better, making fewer errors and not allowing as many runs as at the start of the season," he stated.

standing room only again.

Eggleston proved to be a man of many hats as he introduced the various acts of the going show. The winners, picking up their \$50 first prizes, were Warren McMillan, 10, for a "Saturday Night Fever" style dance, and Mary Johnson in the second show, for singing a Negro spiritual.

Crowds formed early Saturday morning for the parade, also with most of the strategic spots in the shade taken well before the 10:30 a.m. starting time.

The parade was led by a police car, followed by the Belle Glade Police Department color guard and the parade marshal, Mrs. Ruth Wedgworth, who rode in a touring car driven by Wilford Markham.

The parade's highlight, judging from the crowd's response, was obviously the Lions Club entry; a car occupied by "Bonnie and Clyde and C.W. Moss," played by Mr. and Mrs. Ron Sigmon and Phil Dulaney, being chased by other Lions made up as Keystone Cops.

The cops and robbers had a shootout in front of the reviewing stand at Main and Southeast Avenue D, with the miscreants being jailed in the hoosegow on wheels being towed along as part of the entry.

As soon as the shootout was over, some of the Keystone Cops invaded the reviewing stand and grabbed City Commissioner Ralph Kirk, also a Lion, who futilely tried to evade the "lawmen."

Kirk was handcuffed and led to the jail to be held until the end of the parade. Only after the parade was over, however, did Skipper Bowles find he had neglected to

borrow a key when he borrowed the handcuffs and Kirk had to wait for 15 minutes before a key could be produced to release him.

The Lions won first place in the clubs and organizations division of the parade. They were followed by Glades Day School and the Children's Home Society entries.

The Lions' prize was a \$150 check sponsored by the Sugar Cane Growers' Cooperative of Florida. Second prize was \$100, sponsored by Royal's Department Stores and third prize was \$75 awarded by Glades Mercantile.

In open competition, the city won first place with a giant birthday cake emblazoned with the 50th Anniversary Seal. J.T. Boynton Farms won second place with "the dirtiest entry," a load of muck on a wagon, and Florida First National Bank in Belle Glade won third with a huge depiction of a \$50 bill.

Each of those received a plaque. The parade judges were W.C. Taylor of Belle Glade, retired Judge James Tyson of Pahokee and Tom Rumlford of the Clewiston Chamber of Commerce.

The parade was followed by raft races at the marina (see story and pictures on the Home Front Page) and a barbecue sponsored by the Chamber of Commerce, Chamber Executive Secretary, Jewel Crane said the barbecue was the most successful ever held by the COC.

The day and the celebration came to a close with fireworks at the marina and two dances. A teen dance was held at the Aubrey Farmer Pavilion and another was sponsored by the Belle Glade Junior Woman's Club at the Elks Lodge.

The KATHERINE PRICE FOUNDATION Inc.

KATHERINE PRICE joined the parade Saturday in a sporty convertible to help celebrate the city's birthday and kickoff Katherine Price Week.

WADDLES THE CLOWN, a Shriner Entry in the city's parade Saturday, introduced a young miss to his invisible dog, Brownie, shown here tugging at the leash.

MAYOR WALTER GREER, played by Frank Teets in the skit, "Who'd A Believed It?" takes some criticism during the play from "opponents" to the city's incorpora-

tion. Rupert Mock, Jr. and B. Carlton White. The skit and gong shows played to standing room only crowds Friday night.

BONNIE AND CLYDE shoot it out with the Keystone Cops during the parade celebrating Belle Glade's 50th Anniversary Satur-

day. The Lions won first place in their division for the cops and robbers entry.

DEBORAH WEDGORTH isn't falling off the Wedgworth Farms float. She just looked that way when she was putting everything

into throwing candy to the judges on the reviewing stand and children along the line of march Saturday.

THE DIRTIEST FLOAT in Belle Glade's 50th anniversary parade Saturday was the J.T. Boynton Farms entry, hauling a load of "black gold" and children along Main

Street. It just happened to pick up the second place award in the open judging division.

BELLE GLADE'S BIRTHDAY cake won first place for the city in the open division of floats in awards offered during the Golden

JEWEL CRANE represented the Chamber of Commerce in the parade and released balloons holding prizes to be redeemed at the chamber building.

City denies Wee Care request

BELLE GLADE—City Commissioners denied a request Monday night to donate an additional \$5,000 to Wee Care, Inc. The donation would have doubled the city's contribution to the day care center.

The commission rejected the request on a 4-0 vote in the absence of Commissioner William Gear, who is the director for Wee Care.

Mayor Tom Altman said the city's initial contribution, "is a pretty substantial amount. If we were to double that to \$10,000, I would feel it incumbent to check the efficiency of the operation. I wouldn't want to get into that situation but I would feel we should make sure the city's taxpayers were getting \$10,000 worth of services."

Commissioner Claude Tindall offered the motion to deny the request, asking how the city could continue giving, and the move was seconded by Commissioner Ralph Kirk, who said he has always been opposed to donating as much as has been done in the past.

"It started out at a relatively small amount," Kirk said, "and the money came out of federal revenue sharing." He went on to say, however, he feels the donation has grown too large even without the additional amount requested.

The request came in the form of a letter from the Rev. J.B. Adams, chairman of the Wee Care board of directors. Adams said the request was due to, "rapidly rising inflationary costs and various other in-plant maintenance expenditures necessary to continue to provide the degree of quality services that we have been known to offer in the

past."

Adams wrote that without additional funding, Wee Care will be unable to operate its facilities beyond the ending of the present fiscal year and the period of the next fiscal funding appropriations.

"I would like to emphasize very emphatically," Adams wrote, "without this additional funding, Wee Care will be forced to close its doors at the end of the current fiscal year."

"Closing Wee Care would place an additional burden on our already limited community resources," he said, "and reflect on our City's image of providing those things necessary to have a happy, healthy and viable community."

In other business, the commission: Gave Nathaniel Colbert another 90 days to present plans and specifications to restore two dangerous buildings at 948, 956 and 964 S.W. Ave. D.

Colbert has been acting for his sisters, who own the buildings, and has been meeting with the commission for several weeks on the problem. He said he had contacted a Cleveland firm of architects but it will be another six weeks before they can begin work.

City Attorney John Baker presented Findings of Fact at the commission which is part of a condemnation proceedings which would continue should there be a failure to successfully apply for a building permit within the 90 day period.

Proclaimed May 1 as Law Day. Approved five requests for annexation and zoning of property. Took no action on a resolution

regarding backpumping because they approved last May an identical resolution.

The world's first pressure cooker was built by the French physicist Denis Papin in 1679.

TAKE IT EASY wasn't much as rafts go but this was the only view, to those other rafts who got close enough to see anything, offered the competition. That's Butters on top and Sanders in the water.

SINKING AT THE STERN but coming in first was **Husbands, Wives and Lovers**, the winner in the Mixed Division manned by Tom Bonavia, Israel Baez, Ed Rongione, Tina Rongione, Cindy Baez, James January (almost hidden), Karen Bonavia and Margie January.

KIWANIS KURAGIOUS looked more like an over-aged, over-manned version of Huck and Jim floating down the Mississippi but the Kiwanians still managed to come in second place in the mens division.

Celebration raft race was wild and wet fun

BELLE GLADE—Take It Easy was the name of the game as the two man raft, the ultimate in simplicity for the day, was pushed and paddled to victory in the men's raft race Saturday during the city's Golden Anniversary celebration.

City Manager Robert R. Sanders and his assistant, Craig Butters, took turns in the water and on the raft, made of two inner tubes tied together with a 1x12 board on top and a 1x4 on the aft end, to win going away from a gaggle of eight other rafts manned by clubs and teams.

Both Butters and Sanders were wearing diving flippers to provide the main power, with the one on top of the raft steering and providing extra power paddling with his hands.

Only one entry in the day's three races was any simpler, The Sweeties, manned by Perla Tucker, Kit Tucker and Cindy Todd, was simply three inner tubes tied together. Unfortunately, the girls weren't wearing flippers to provide extra power and the Nu Kappa Tug, manned by eight scorty members, won handily in the second race of the afternoon. The Nu Kappa Tug was crewed by Tina Rongione, Cindy Baez, Lynn Capote, Margie January, Karen Bonavia, Brunilde Butters, Lorraine Mayfield and Ana Gomez.

In the men's division race, the

contest finally settled down to be one for second place after Sanders and Butters wound up so far ahead. The Rotary Club's entry was far ahead but ran into trouble when it snagged rounding the final buoy into the home stretch.

There had been an early battle between the Rotary Club, the Lions' entry and the Kiwanis Kuragious but the Rotarians opened a commanding lead in the back stretch and were all alone between the second and third buoys.

The contest was resumed rounding the third buoy, however, when the Rotarians snagged the buoy line and suddenly found themselves going nowhere.

Dennis Wedgworth dove overboard and under the raft, an unusual feat since he was wearing a life jacket, but found nothing and the crew hauled the buoy, line, anchor and all, aboard and started carrying it along with them until they finally unravelled it and threw it back overboard.

In the meantime, however, three other rafts had made the turn and the Rotarians limped in fifth place to the cheers of supporters of the Kiwanis Kuragious and the Lions' entry, who came in second and third.

The Kiwanis raft was manned by Leonard Case, Ed Rongione, Tom Bonavia and James Martin. It was also the raft renamed later for the Nu Kappa Tug. The Lions manning the third place raft were

Ron Sigmon, Ken Coghill, Pete Webb and Jim Humphries.

In the mixed company division race, **Husbands, Wives and Lovers**, using the Kiwanis raft, easily beat out a two-person paddle wheel entry manned by Dr. Robert Allen and Hazel Johns.

Husbands, Wives and Lovers, made up of Ed and Tina Rongione, Karen and Tom Bonavia, Cindy and Israel Baez and Margie and James January, was a conventional raft, paddled by the eight person crew.

The **Bassmaster Star** was ill fated from the beginning, however, when the HW&L collided with it, damming one of the four side wheels. Dr. Allen spent most of his remaining time in the race attempting to make repairs but every time he got it going again, it would break down, leaving the speedy little craft drifting farther and farther behind in the wake of the larger entry.

Some of the more unusual designs of rafts, mostly in the men's division, included one made of PVC pipe with a sail, which had to remain furled most of the time; a two-man entry made of several metal canisters welded to a frame, another two-man entry which was mostly submerged most of the time, and the Lions' made of several drums lashed together in two rows, with the catamaran style emphasized by two metal break waters in front.

GCHS FOOTBALLERS David Jones, David Robinson and Eric Bedford signed letters of intent Tuesday as Raider Coach Willie McDonald watched, to attend Arizona Western

MEMBERS OF THE Glades Day School Softball team include (front row left to right) MeMe Fowler, Debbie Bair, Penny Brown, Debbie Hall, Beth Adams, and Diana Morgan; 2nd row left to right: Denise

Morgan, Louise Herring, Donna Fowler, Janie Priest, Bobbi Lou Markham, and Lisa Smith; 3rd row left to right: Terri Gressinger, Donia Adams, Marie Cranford, Melanie Swager, and Kelley Teets.

Glades Central mile team sets record

The Glades Central track team set two records Friday at the Boca Raton Invitational Meet in mile runs, finishing fourth out of a crowd of 14 area school teams competing.

The Raider mile relay team placed first with a new meet record and a new school record of 3:27.7 and the mile medley relay team won another first place with a meet record of 3:42.

The mile relay team is made up of Willie Tyler, Don Andrews, Joe Byrd and Allen Johnson while the medley team is made up of Willie chael Collier, Greg Bain, Joe Byrd and Bobby Brereton.

The two record runs earned 20 of the 43 points the Raiders posted, trailing the third place Twin Lakes team by two. First place was taken by Fort Pierce Central and second was won by Lake Worth.

Freddie Garrett picked up a third place win in the discus throw with a toss of 146'3". Michael Russell won third in the 320 yard intermediate hurdles with a time of 41.8 seconds while William Johnson placed fourth in 42.1 seconds. The 440 yard relay team won fourth place with a time of 44.5 seconds.

Collier also won a third place in the long jump, leaping 20'7" while Lindell West won sixth with a 20'11" jump.

Robert O'Neal won fifth place in the two mile run, coming in 10:25.5 after starting.

The team will next compete in the Palm Beach County Track Meet Friday at Twin Lakes High. Preliminaries will begin at 4 p.m. and finals get underway at 7:30 p.m.

Andrews is named to Who's Who

BELLE GLADE—Don Andrews, a Glades Central Raider recently to the All American High School Football team, has also been included in the Who's Who in National High School Athletics, an annual publication honoring high school footballers.

Those selected for inclusion on the team, according to a letter to Andrews from National Director Bud Furillo, will be considered for scholarships up to \$1,000.

Jack Dempsey fought only 138 minutes as world champion. During that time he made \$2,137,000—or \$15,000 per minute.

Netters go into district playoff

The Glades Day tennis teams to district finals Thursday, Friday and Saturday at John Carroll and some good action should be on tap.

The girls won their last regular season match over Palm Beach Academy 7-0 last week with singles victories coming from Beau

Wiggley, Susie Stevans, and Denise and Cheryl Hooker. Beau teamed with Susie for a doubles victory and Cheryl and Shelly Sniffen won the other doubles match.

The boys team lost 5-2 with the doubles team of Philip Dulany and Chuck Lane, getting one victory and Dulany getting the other in singles.

Eleven teams will be playing in the playoffs this week and Coach Rita Shoenfeld said some of the girls have an excellent chance.

Beau, Monica and Cheryl are seeded Number 2 and the doubles team of Monica and Denise, while undefeated, are seeded Number 2. Beau's record is 13-1, Monica's 12-2, and Cheryl's is 12-1.

Record even

The Glades Day girl's softball team evened out their record at 4-4 Tuesday by beating Indian River 11-4. They have now won the last four games in a row.

Coach Manny Perez said the winning pitcher was Mimi Fowler, who struck out two and walked one.

Perez said the girls had Indian River 11-2 until the bottom of the seventh, when they scored two runs. "We'll be working on late game leadouts," he said.

The Gateettes got three homers in the game, knocked by Kelly Teets, Donya Adams and Janie Priest. Janie's homer brought in three runs.

The turning point of the game, said Perez, was a line drive stop by Bobbie Lou Markham in the fifth inning when the score was still pretty close.

YOUR SHIELD AGAINST THE ELEMENTS

Conklin Protective
Coatings—They Keep
the Weather Out

The Conklin line of protective coatings
RAPID ROOF, WALL UP, RUST NOT
—provide a package of total protection for
every surface: roofs, masonry walls, metal
buildings. Whatever your weatherproofing needs, there
is a fine quality Conklin coating to meet that need.

RAPID ROOF is a rugged
acrylic roof coating that's
designed to protect a wide
variety of roofing materials, ply-
wood, shingle, rolled asphalt,
concrete or metal. Its water-
based formula makes for safe,
easy application by sprayer,
brush or roller. Once dry,
RAPID ROOF forms an extreme-
ly flexible unitary film that
stands up to the toughest pun-
ishment weather can dish out.

WALL UP is an acrylic latex
coating for basements, founda-
tions, any kind of masonry
wall. Applied, it's outside
surfaces, WALL UP will go to
work as a total waterproofing
barrier. Inside, WALL UP cuts
down seepage and surface
dampness as it resists mildew.
Optional color packets offer
a variety of attractive colors
to complement any
interior or exterior trim.

RUST NOT is a rugged
rust preventative for
buildings, equipment,
any metal sur-
face. It's designed to
creep and crawl into
hard to reach areas
where rust gets a
toehold. RUST NOT
clings to metal sur-
faces for long-lasting
protection. But can
be easily removed with any ordinary solvent.
